MODULE I ACADEMY (REGULAR BASIC COURSE)

OVERVIEW:

The Module I Academy is a 474-hour (approximately 6 months) course designed to meet the minimum requirements of a Level I Reserve Officer as established by the Commission on Peace Officer Standards and Training (POST). It is the last component of the Regular Basic Course-Modular Format Academy.

The Module I Academy is a high-discipline/high-stress oriented program with an emphasis on Emergency Vehicle Operations, Lifetime Fitness, Traffic Accident Investigation, Traffic Enforcement, Patrol Tactics, Gang Awareness, Arrest Methods/Defensive Tactics, Investigative Report Writing, and Firearms training. In addition, there are inspections, drill training (formation, facing movements, marching, etc.), and physical exercises (running, push-ups, sit-ups, jumping jacks, etc.). Recruits attend the Academy in full uniform.

There are 12 knowledge-based examinations administered throughout the course, which require a recruit to receive a passing score in order to successfully complete the Module I Academy. Students must also successfully pass 14 Scenario Examinations, Physical Training, Defensive Tactics and Firearms testing in order to graduate from the academy.

The academy classes contain both agency-sponsored and self-sponsored students. Self-sponsored students enter the academy at their own expense. Agency-sponsored students are hired by a law enforcement agency prior to entering the academy.
